January 24th is
International Day of Education!

Happy New Year! - Updates From Us

We Are So Thankful To Our Volunteers!

Did you know that volunteerism went up in 2025? It was incredible to see our community fundraise, host food drives, and volunteer their time as we stayed open to serve our community with hospitality, respect, and nutritious food.

Chances are, your work could pay you to volunteer! Many of the groups that come to volunteer are agencies that offer a paid day of work for those who volunteer within employee guidelines.

Reach out to your manager and HR director to see if you can volunteer at The Food Bank @ St. Mary's. Here's an article about how you can get involved: [Read Article Here](#)

Volunteer Highlight!

We love Connie, David and Matt! Three staple volunteers of our food bank who have gone above and beyond this year to show up and be a kind, present, and fun part of our team. Thank you so much!

International Day of Education

This January 24th, we celebrate all of the teachers, students, and schools that have been involved with the Food Bank in 2025! Education is so valuable, and we honor the sacrifices teachers make daily to support and educate their students of all ages. Our building is surrounded by different schools and we love being able to work with local leaders to provide weekend bags for children who need them. Interested in learning more about our "Feeding Hungry Kids" program? Email us!

Get Ready for Hunger Action Day on February 10th!
